New  
Year!

from the staff of  
the MT Breeze.

## Keep the Holiday spirit alive all year round

THE NEW YEAR AND WINTER IS HERE!

Congrats to the Montgomery Fire Association on taking first place in Russell's Parade of Lights. Your hard work paid off.

As cold weather settles in, remember to be vigilant with your heating devices. Also when warming your cars, if in an enclosed area make sure your garage door is open to prevent any carbon monoxide poisoning. Check in on your elderly neighbors and those in need. Keep plenty of water on hand for your pets. Keep snow away

154 Main Road  
Montgomery, MA

from pellet and furnace vents. Try to keep ice off your main walkway into the house.

Stay safe and warm!

## F.I.D. renewal information

If you have a "paper license" issued through the Montgomery Police Department – three months before you need to renew your F.I.D. or L.T.C. – please e-mail me at [police@montgomeryma.gov](mailto:police@montgomeryma.gov), or leave a message at my home phone number 862-4949 – spelling out your first and last names and the date your license was issued so I can locate your file.

When I have office hours – which is normally every other Thursday as listed in the Mountain Breeze (see page 2) – I will forward a copy of your current license information from the file in the Town Hall to the Criminal Justice Information System (CJIS) so the information can be updated in the system and the renewal can be done from your current license. When you come to do your renewal or new application – don't bring a picture – I have a camera and will take your picture and uploaded it directly into the computer. Currently it is taking 6-8 weeks before I hear on the status of fingerprints.

The Police Department office is located in the basement of the Town Hall. If you are unable to come down the stairs, let me know and I will make accommodations to meet you in the library.

Paula L. Chapman, *Chief of Police*

# Never to soon to plan out next year's vegetable garden

January is the month to:

- Let house plants to dry between watering to avoid root rot and fungus gnats.
- Turn houseplants every few days to keep them from leaning toward the light.
- Cacti need very little water during the winter.

## GardenNews

by Chris Brown

- Soak the soil when watering succulents; let dry completely before watering again.
  - Snow cover provides protection of plant crowns and roots from cold winter air.
  - Winterberry provides winter food for birds.
  - Plan the vegetable garden and sketch it out on paper.
  - Place seed orders as early as possible to guarantee availability.
- Test viability of old seed; place a small number of seeds in a wet towel.
  - Use a high quality germinating mix for starting seeds.
  - At end of January, sow pansy and viola seeds indoors.

## CRANBERRY NEW YEAR'S CAKE

Recipe for January 2019. Helen Allyn sent in this new recipe. Thank you Helen.

3 eggs	2 cups sugar
¾ cup butter, softened	1 tsp. vanilla
2 cups all-purpose flour	12 oz. fresh cranberries

Preheat oven 350 degrees. With a mixer, beat eggs with sugar until slightly thickened and light in color – 5 to 7 minutes. Do not skip this step as the eggs work as a leavening agent. Add butter and vanilla, mix 2 more minutes. Stir in flour until just combined. Add cranberries and stir to mix.

Spread in a buttered 9 x 13 pan. Bake for 40 to 50 minutes until very lightly browned and a toothpick inserted near center comes out clean. Let cool completely. Cut into small pieces 1" x 2".

## "Turning of the year" night out starts the new year off right

Your Montgomery Historical Society celebrates the "turning of the year" with a "night out" on **Thursday, January 10 at 6:00 p.m.** (Snow date is Friday, January 11.)

We'll be dining at the new **"JP's Steakhouse & Grille"** on College Highway, Southampton (formerly "Opa-Opa's"), and we invite everyone to join us for this evening of fun, food, and fellowship. Membership in the Historical Society is NOT required for any of our events or activities. Please

### Historical Happenings

call Laurie at 862-8095 by Sunday, January 6 to indicate your intentions so that we may provide a head count to the restaurant at that time.

The Steering Committee of the Historical Society will meet in mid-January to plan activities and events for the coming year.

Have any ideas for us? Your input would be most welcome – places to visit, speakers to host, etc. – as we map out our programs for the enjoyment of all. Laurie (see tel.# above) can be contacted with your ideas, as well.

As of early December, the Montgomery Historical Society's **display case located at the Grace Hall Memorial Library** (Town Hall complex) contains a collection of **Nutcrackers** of various shapes, sizes and "occupations" loaned to us by Historical Society member Sandi Gil. Please be sure to check them out when you visit the library during the cold months and stock up on reading material and other media! The Nutcrackers will be in place through mid-January.

We continue to seek loans of material for the display case from our fellow townspeople. If you have (or someone you know has) a collection or conglomeration of items you'd like your fellow townspeople and others to see, please call Laurie (862-8095) to talk about when we can include your items in our display case. Your participation will ensure the displays remain fresh and interesting! Thank you!

## Outside the bird feeder with Lori Conley

### WHY DO MANY SMALL BIRDS FLOCK TOGETHER IN THE WINTER?

As one stands in the autumn or winter woods, a Red-Breasted Nuthatch calls while it hangs upside down on a pine cone, deftly removing the fat-rich seeds. Nearby, several Black-Capped Chickadees inspect leaves and twigs for small insects or cocoons. A chattering Ruby-crowned Kinglet hovers at a branch tip. And a petite Downy Woodpecker whinnies. And they are all close at hand.

As colder weather sets in, some small birds form mixed flocks to increase their chances of survival.

In a mixed-species flock there's a noisy flurry of small birds, foraging and moving together in fall and winter. With the nesting season past, some small birds join forces.

These loose associations can include a dozen species and more than fifty individuals. More watchful eyes mean better detection of predators, allowing each bird to spend more time feeding. And more individuals searching, improve the odds that a rich feeding area will be found.

In much of North America, Black-Capped Chickadees (our state bird by the way) lead in forming such flocks and should a hawk be sighted - whistle an alarm call that the other species understand.

**Side note:** National Bird Day is observed annually on January 4 to advance bird conservation as a moral value. The purpose of this holiday is to bring attention to the plight of our feathered friends, particularly birds that are not native to the U.S. and are captive. Consider reading up on some birds, setting out a feeder or sharing some bird knowledge with someone.

We wish all our friends and neighbors a Happy and Healthy New Year. Stop in and visit at any of our coffee hours which are held in the Senior Room on the second and fourth Tuesday of each month.

We are making a list of special events to be held during the year. Your suggestions and input would be appreciated.

### Were you in the “DONUT HOLE” last year?

If so - chances are you could reach it again!

If you have a Medicare Part D or Medicare Advantage plan and do **not** get Extra Help, you will reach that coverage gap when the total retail cost of your prescription drugs reaches your plans out-of-pocket limits. This is where **Prescription Advantage** can help.

**Prescription Advantage**, the Massachusetts prescription drug assistance program, can help pay for your prescription drugs when you reach the “donut hole.” To find out how to lower your drug costs, call Prescription Advantage at:

1-800-243-4636

TTY at 1-877-610-0241

### **Would You Like to Take Tai Chi?**

COA sponsored **Tai Chi** classes will begin on Thursday, **January 10<sup>th</sup> at 9am**. The classes will be taught by **Ellie D’Allesandro** from the Westfield YMCA. This ten-week program is especially geared for seniors. Classes will be held in the **Town Hall** and are free of charge. If you would like more information, please call Anne-Marie at 862-3257.

### **Thank You to the Cranson Family**

Because of the generosity of the Cranson family we now have another wheel chair, walker, commode, etc. If you have need of any of these items, either long or short term, please call 862-3257.

## **6 Ways to Stay Physically Active in Winter**

The U.S. Department of Health and Human Services just released the [2018 Physical Activity Guidelines for Americans](#). The guidelines recommend that adults move more and sit less throughout the day by engaging in a combination of aerobic activities, as well as balance training and muscle strengthening.

Exercising during the winter months can be challenging as temperatures drop, road and sidewalks are slippery, and storms prevent outdoor activities. Here are 6 ways to keep active this season.

### **1. Explore arthritis-friendly exercise videos**

Check out short videos with exercises focused on reducing joint pain through stretching and building strength. There are options for working out your upper and lower body, as well as trying out Tai Chi, all in your own home.

### **2. Find an exercise class near you**

It can be hard to stay motivated while exercising alone. Find an exercise class that can offer different options for activities and provide an opportunity to meet up with friends.

### **3. Go mall walking**

*Mall Walking Resource Guide* provides ideas for walking solo or with a group at a local mall. Moving your regular walks inside for the winter provides a warm, safe, and well-lit environment to keep active.

### **4. Take steps to prevent falls**

If you do walk outside, take precautions to avoid slips and trips on icy sidewalks. Check out how you can *Winterize to Prevent Falls*.

### **5. Get a workout to go**

*Go4Life's Workout to Go* guide has several options for exercising in your own home, including hand grips, wall pushups, and arm raises.

### **6. Find an indoor community pool or track**

Many local Parks and Recreation Centers and YMCAs offer physical activity options, such as swimming, walking on indoor tracks, and group exercise for older adults.
